Trunk or Treat, October 27

Emmanuel is teaming up with our preschool neighbor, Bedford Christian Academy and Montessori Preschool, to host a Fall Festival and **Trunk or Treat on Friday, October 27 from 6pm-7:30pm**. BCAMP will have booths and food for the Fall Festival and EPC will have cars set up to pass out candy to Trick-or-Treaters for the Trunk or Treat.

We are looking for a few volunteers to provide cars for the Trunk or Treat and pass out candy. We would like to have 15 cars in the parking lot. We also need donations of Halloween candy to pass out from the trunks. Watch for a collection area and a sign up sheet in the narthex.

Invite your friends and neighbors to this fun event!

Believe it or not, another new restaurant that opened earlier this year. The ambience of all wood and stone gives the interior a mountain cabin appearance. The food is very good. Take 121 to Glade Road. From the intersection of 121 and Glad Road, the restaurant is on the west access road going south.

Please call Andy Le Cocq at (817) 268-4128 or e-mail him before October 17th at Andy@lecocq.org so we can have the proper sized table reserved.

Children's Class Project and Family Emails

Emmanuel's Children's Church School class is working on a project to create an exhibit of stained glass panels in the breezeway between main building and the Christian Education building. On September 24th, the class discussed the Bible story of God calling the boy Samuel (1 Samuel 3). As they reflected on the story, the children thought about how God is calling them to serve or use their gifts. Each child drew a stained glass panel design on paper illustrating his/her gifts or a way to serve. Then they traced this design onto an acrylic panel and took it home to paint it. Completed panels will be installed with tape onto the breezeway windows. Come check out the display!

New this fall is a weekly email for our children's families that includes the Bible story explored in Church School that Sunday and activities families can use to explore the story at home. Families are also invited to download a free eBook (ePub and Kindle versions) that contains all of this fall's Bible stories and illustrations, audio recording of the stories, and the at-home activities; it is available from <http://www.growinggracegratitude.org/for-the-home.html>. We hope the eBook and these emailed resources will equip and encourage families to live their lives as an expression of God's grace at home, at school, and in the community. Many thanks to Amy Rork for helping the Christian Education committee set up weekly emails to Emmanuel children's families! If you want to receive the weekly email, please email Leah Wyckoff (klh@sbcglobal.net).

October 29th: Intergenerational Session on Gratitude

The Christian Education committee invites you to an Intergenerational Session on Gratitude on Sunday, October 29 during the Church School hour (8:45am-9:45am) in fellowship hall. There will be hands-on, experiential stations for all ages for reflection and prayer centered on gratitude, which is a crucial practice for healthy faith communities. You are invited to participate even if you are not a regular participant in Church School. Karl Barth said that if the essence of God is grace, then the essence of human beings as God's people is our gratitude or thanks. Come explore this essential part of what it means to be human.

Save the Date: Stewardship Luncheon

"Blessed are those who trust in the Lord, whose trust is the Lord. They shall be like a tree planted by water, sending out its roots by the stream.

It shall not fear when heat comes and its leaves shall stay green; in the year of drought it is not anxious, and it does not cease to bear fruit." (Jeremiah 17:7-8)

Please join us after worship on **Sunday, October 15** as we gather to kick-off the stewardship season. A delicious luncheon prepared by Linda Villarreal will be served and we'd love for you to be there. Please see the sign-up sheet in the narthex to bring sides (vegetables, salads, etc.) and desserts. You can also sign-up to help with set-up and clean-up. Your help is greatly appreciated.

Our theme this year will focus on the many blessings we've been given - as individuals and as a community of faith. As you consider the many ways you've been blessed, how might that transform the way you give to the church - through your time, talent, and financial pledge? We hope to fill the fellowship hall that day, so please mark your calendars and plan to attend.
